## Grant Details

Organisation Name

Delivery Organisation

(If applicable)

Project Title

Grant Awarded to your Organisation

Grant Reference Number

Grant Program and Round

[Grant Details](#) [Project Details](#) [Attachments](#) [Feedback](#) [Confirmation](#) [Review My Requirement](#)

## Project Details

Project Description

As per your application your project was about.....

\* Were there any changes to your project? If so, please describe.  
(Changes to the original proposal, reasons for them and how they affected the project)

\* What specific activities took place, where, when and who participated/benefitted?

## Project Outcomes

### Grant Specified Purpose

The purpose of your grant, as agreed by your organisation by signing the grant agreement.

\* Tell us about what you achieved, what was most successful? What are you most proud of?

\* Were there challenges? What would you do differently next time?

As part of the acquittal process and evaluation of the initiative, please complete the Additional Outcome Questions Future Drought Fund Final Report Form. A printable version is available to download through this [LINK](#) to view the questions you will be asked.

This form is important to help FRRR, ARLF, Nous Group and Department of Agriculture, Fisheries and Forestry understand the outcomes and the impact of the project. Your Final Report will be deemed incomplete without submission of this form.

As the Additional Outcome Questions form is external to the online application form, please ensure you have saved all of your work on Grants Gateway before proceeding.

Once you have completed the form for the Additional Outcome Questions. Please return to Grants Gateway to complete your Final Report.

To complete the Additional Outcome Questions form, click on the link here:

- Estimated time to complete is 25 minutes;
- The link will open in a new window with a Microsoft Office form to complete;
- Please be aware that you cannot partially complete and return as it will not save your answers;
- It is not time limited and can be open in a separate window until you complete it;
- Once complete click submit on the form;
- It is recommended that you do not close the window until you have clicked submit;
- You will be given the option to print or download a copy of your answers.

\* Required before final submission

## Statement of Project and Expenditure

In order to financially acquit your grant, please complete the **Financial Acquittal form**, detailing all income and expenditure for the project, and signed by the head of the organisation, or a person who has delegated authority to sign.

**Please note that evidence of expenditure may be requested by the Program Manager for acquittal of this grant.**

\* Attach Financial Acquittal form 

Select **Choose file** to browse and locate the document. Once located, select **Upload** to load the document to the form.

Please note, files cannot be larger than 10MB.

No file chosen

## Photos

We love photos that tell a story and include community members.  
Please upload three of your best project photos here (Highly regarded and most appreciated.)  
**Please note, files are preferred to be no larger than 10MB.**

## Feedback

FRRR value your honest feedback about your experience with the FRRR process. Your answers will assist us to improve our programs and work with community grant seekers.

How would you rate your experiences with FRRR?

<None> ▼

How instrumental was this grant in helping you to facilitate the project's success?

- None
1. Without grant, project would not have gone ahead
2. Project would have changed without the grant but would still have gone ahead
3. Project would have taken place with or without the grant

How would you rate your satisfaction with FRRR Grant processes?

- None  1. Excellent  2. Good  3. Average  4. Poor

I received notification of the outcome of my application in a timely fashion.

- None  1. Excellent  2. Good  3. Average  4. Poor

FRRR staff were able to assist and support our project when we needed.

- None  1. Excellent  2. Good  3. Average  4. Poor

We had sufficient time from receiving the grant to acquitting the grant to deliver the project.

\* Required before final submission

## Acquittal Confirmation Statement

I confirm that the information contained in this report is correct and agree to the following conditions:

- Acknowledge and understand that this report will become the property of FRRR and that it may be provided to other funders and partners (including Department of Agriculture, Fisheries and Forestry, Australian Rural Leadership Foundation or Nous Group);
- Agree that FRRR, Department of Agriculture, Fisheries and Forestry, Australian Rural Leadership Foundation or Nous Group can publish written content provided by me in the acquittal and agree to the terms of the **Photo and Audio Release** for any attachments I have uploaded or links I have provided.

\*  I have read and agree to the above

\* Name of authorised person completing this certification

\* Position

Date

## Additional Outcome Questions Future Drought Fund | Final Report

This form is important to help Nous, FRRR and Department of Agriculture Fisheries and Forestry understand the outcomes and the impact of the project. The additional questions in this form are required as part of your Final Report.

**\*Please be aware that you cannot partially complete the form and return later as the form will not save your answers\***

- It is estimated that it will take 25 minutes to complete this form.
- Once complete, click Submit. You will be given the option to print or download a pdf of your answers at the end.
- It is recommended that you do not close the window until you have clicked submit.
- Once you have completed the additional questions, please return to your Grants Gateway application to complete.

Need help? Call us on 1800 170 020 or email [futuredrought@frrr.org.au](mailto:futuredrought@frrr.org.au)

Thank you for taking the time to complete this form.

\* Required

### Project information

1. Do you know your grant reference number?  
It can be found on your Grants Gateway account. \*

- Yes
- No

**Please note:**

**This PDF form includes all possible questions for all seven options of short term outcomes (headings PO1-PO7). You will only be required to complete the questions relating to the two outcomes you select.**

2. Please provide your grant reference number.

The value must be a number

3. What is the name of your organisation? \*

4. What is the title of your project? \*

5. Which output best describes your project?

*Please select all outputs that are relevant to your project.*

\*

- (A) **Networks:** Initiatives to strengthen the capacity, capability, and coordination of professional, social or community networks.
- (B) **Community events** to facilitate professional, social and community connection and build understanding of drought and climate change associated risks.
- (C) **Training initiatives** to improve skills and capacity in community risk management, planning and project delivery.
- (D) **Community infrastructure:** Small-scale community infrastructure projects to improve connectedness, wellbeing and facilities.
- (E) **Development and learning initiatives** to facilitate professional, personal and leadership-related development and learning to support drought preparation.

6. What was the total number of activities held as a result of the project?

*Please provide an estimate and specify the type of activity. e.g., 5 events / training / infrastructure updates / forums / conferences.*

\*

## Participant outcome information

*This section refers to participants of your project.*

*We'd like to understand more about the demographic characteristics of the participants of your projects.*

*For age, please provide an estimate if you don't have definitive data. For participant gender and race, if you don't know, please leave blank.*

7. How many people participated in your project?

*Please provide an estimate. e.g., 50. \**

The value must be a number

8. How many organisations participated in your project?

*Please provide an estimate. e.g., 50. If not applicable (i.e. your organisation was the only organisation involved), please leave blank. \**

The value must be a number

9. What was the percentage of all participants that were aged less than 18 years old.

*Please choose a response to the nearest 100% for each age group - all your responses should sum to 100%. \**

- A. 0%
- B. 10%
- C. 20%
- D. 30%
- E. 40%
- F. 50%
- G. 60%
- H. 70%
- I. 80%
- J. 90%
- K. 100%
- L. Unsure / not observed

10. What was the percentage of all participants that were aged 18-35 years old.

*Please choose a response to the nearest 100% for each age group - all your responses should sum to 100%. \**

- A. 0%
- B. 10%
- C. 20%
- D. 30%
- E. 40%
- F. 50%
- G. 60%
- H. 70%
- I. 80%
- J. 90%
- K. 100%
- L. Unsure / not observed

11. What was the percentage of all participants that were aged 36-50 years old.

*Please choose a response to the nearest 100% for each age group - all your responses should sum to 100%. \**

- A. 0%
- B. 10%
- C. 20%
- D. 30%
- E. 40%
- F. 50%
- G. 60%
- H. 70%
- I. 80%
- J. 90%
- K. 100%
- L. Unsure / not observed

12. What was the percentage of all participants that were aged 51-65 years old.

*Please choose a response to the nearest 100% for each age group - all your responses should sum to 100%. \**

- A. 0%
- B. 10%
- C. 20%
- D. 30%
- E. 40%
- F. 50%
- G. 60%
- H. 70%
- I. 80%
- J. 90%
- K. 100%
- L. Unsure / not observed

13. What was the percentage of all participants that were aged 65+ years old.

*Please choose a response to the nearest 100% for each age group - all your responses should sum to 100%. \**

- A. 0%
- B. 10%
- C. 20%
- D. 30%
- E. 40%
- F. 50%
- G. 60%
- H. 70%
- I. 80%
- J. 90%
- K. 100%
- L. Unsure / not observed

14. What percentage of all participants identified as female?

*Please choose a response to the nearest 10% for each gender option - all your responses should sum to 100% \**

- A. 0%
- B. 10%
- C. 20%
- D. 30%
- E. 40%
- F. 50%
- G. 60%
- H. 70%
- I. 80%
- J. 90%
- K. 100%
- L. Unsure / not observed

15. What percentage of all participants identified as male?

*Please choose a response to the nearest 10% for each gender option - all your responses should sum to 100% \**

- A. 0%
- B. 10%
- C. 20%
- D. 30%
- E. 40%
- F. 50%
- G. 60%
- H. 70%
- I. 80%
- J. 90%
- K. 100%
- L. Unsure / not observed

16. What percentage of all participants identified as neither female nor male?

*Please choose a response to the nearest 10% for each gender option - all your responses should sum to 100% \**

- A. 0%
- B. 10%
- C. 20%
- D. 30%
- E. 40%
- F. 50%
- G. 60%
- H. 70%
- I. 80%
- J. 90%
- K. 100%
- L. Unsure / not observed

17. What percentage of all participants identified as First Nations people?

- A. 0%
- B. 10%
- C. 20%
- D. 30%
- E. 40%
- F. 50%
- G. 60%
- H. 70%
- I. 80%
- J. 90%
- K. 100%
- L. Unsure / not observed

## First Project Short Term Outcome

Please answer the questions in this section to the best of your ability, based on any data collected before, during and after project delivery. Please note that you will have the opportunity to upload any data or information to support your responses at the end of the form.

18. The Evaluation has identified seven outcomes that we expect your projects will contribute towards. Select **the first outcome** that your project best aligns to from the list below. You will be asked to select a second outcome that your project also aligns to in a following question. Your selection will then show questions related to these two outcomes. \*

- 1. Improved communication, social connection and collaboration within and between communities to support drought preparedness (PO1)
- 2. Improved access to and use of services, infrastructure and facilities by communities that support drought preparedness (PO2)
- 3. A greater diversity of community members and organisations contribute to drought preparedness activities (PO3)
- 4. Increased knowledge and understanding of strategies by communities, volunteers and not-for-profit organisations to prepare for and adapt to drought (PO4)
- 5. Improved implementation of place-based practices by communities to build and enhance resilience to drought (PO5)
- 6. Strengthened individual leadership capacity and capability to support community and drought resilience (PO6)
- 7. Growth and improved strength of community-based networks (PO7)

### Please note:

**This PDF form includes all possible questions for all seven options of short term outcomes (headings PO1-PO7). You will only be required to complete the questions relating to the two outcomes you select.**

## PO1 - First Outcome Selected

PO1 - Improved communication, social connection and collaboration within and between communities to support drought preparedness

**Please note: 6 possible selections. Including To no extent or Unsure or not applicable.**

19. To what extent did your project achieve the following?

|   | To a very large extent | To a large extent     | To some extent        | To little extent      | To no extent          |
|---|------------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| Created more effective communication channels in the local community or with another community.                   | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Increased frequency of communication in the local community or with another community                             | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Strengthened social connection within the local community, region or state.                                       | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Increased community satisfaction with the strength of social connections in the local community, region or state. | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Improved collaboration within the local community or between different communities.                               | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Improved sense of community belonging.  | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Increased awareness of supports available in the local community.   | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

20. Please describe what changes you have observed in your community that relate to this outcome.

*Please provide evidence that supports your assessment.*

## PO2 - First Outcome Selected

PO2 - Increased access to and use of services and facilities by communities that support drought preparedness

21. Did your project lead to any new or upgraded community services, infrastructure and/or facilities?

(A) Yes

(B) No

22. How many services, infrastructure and/or facilities were updated or built through your project?

(A) 1-5

(B) 5-10

(C) 10-15

(D) 20+

23. What type of community services, infrastructures and/or facilities were built or upgraded through your project?

24. What is the total number of people you would expect to benefit from the services, infrastructure and/or facilities updated or built through your project?

*Please provide an estimate. Please quantify. E.g., 100.*

The value must be a number

25. To what extent did your project achieve the following? \*

**Please note: 6 possible selections.  
Including To no extent or Unsure or not applicable.**

|   | To a very large extent | To a large extent     | To some extent        | To little extent      | To no extent          |
|---|------------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| Improved access to services, infrastructure or facilities that support drought preparedness | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Increased knowledge sharing between community members.                                      | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Improved sense of community connection.   | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Improved collaboration within the local community or between different communities.         | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

26. Please describe what changes you have observed in your community that relate to this outcome.

*Please provide evidence that supports your assessment. \**

PO3 - First Outcome Selected

PO3 - A greater diversity of community members and organisations contribute to drought preparedness activities

27. To what extent did your project increase the participation of the following groups in drought preparedness activities? \*

**Please note: 6 possible selections. Including To no extent or Unsure or not applicable.**

|  | To a very large extent | To a large extent     | To some extent        | To little extent      | To no extent          |
|--|------------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| First Nations community members and organisations                        | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Young people (18-35)   | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Community members from culturally and linguistically diverse backgrounds | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Women  | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

28. Please describe how your project increased the participation of the selected group/s \*

29. How were the views of First Nations people considered and appropriately incorporated during the design and delivery of the project?

*Please provide examples of First Nations-specific and culturally safe engagement opportunities offered through the process of designing and/or implementing the project, such as Yarning Circles, Dadirri, Ganma, and other engagement opportunities. Please note the number and type of opportunities.*

*Please leave blank if not applicable.*

**Please note: 6 possible selections.**

**Including To no extent or Unsure or not applicable.**

30. To what extent did your project increase the following types of diversity? \*

|  | To a very large extent | To a large extent     | To some extent        | To little extent      | To no extent          |
|--|------------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| The geographic diversity of community members or organisations participating in drought preparedness | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| The diversity of industry sectors or businesses participating in drought preparedness                | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

31. Please describe how your project increased diversity in this way? \*

32. Please describe what changes you have observed in your community that relate to this outcome.

*Please provide evidence that supports your assessment. \**

## PO4 - First Outcome Selected

PO4 - Increased knowledge and understanding of strategies by communities, volunteers and not-for-profit organisations to prepare for and adapt to drought

33. To what extent did your project achieve the following? \*

**Please note: 6 possible selections.  
Including To no extent  
or Unsure or not applicable.**

|  | To a very large extent | To a large extent     | To some extent        | To little extent      | To no extent          |
|--|------------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| Improved participant understanding of drought risk.                            | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Improved participant understanding of climate-related risks.                   | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Increased the confidence of participants to prepare for drought events.        | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Increased the preparedness of participants to respond to drought individually. | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Improved drought preparedness planning within the community.                   | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Participants felt more prepared to respond to drought.                         | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

34. Please describe what changes you have observed in your community that relate to this outcome.

*Please provide evidence that supports your assessment. \**

## PO5 - First Outcome Selected

PO5 - Improved implementation of place-based practices by communities to build and enhance resilience to drought

35. To what extent did your project achieve the following? \*

**Please note: 6 possible selections.  
Including To no extent  
or Unsure or not applicable.**

|  | To a very large extent | To a large extent     | To some extent        | To little extent      | To no extent          |
|--|------------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| Participants became more aware of practices they were previously not aware of.                   | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Participants learnt relevant skills or techniques that will enable them to employ new practices. | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Participants employed practices they had previously not used.                                    | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Participants employed practices that were identified in regional drought resilience plans.       | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

36. Please describe what changes you have observed in your community that relate to this outcome.

*Please provide evidence that supports your assessment. \**

## PO6 - First Outcome Selected

PO6 - Strengthened individual leadership capacity and capability to support community and drought resilience

**Please note: 6 possible selections.  
Including To no extent  
or Unsure or not applicable.**

37. To what extent did your project contribute to the following? \*

|  | To a very large extent | To a large extent     | To some extent        | To little extent      | To no extent          |
|--|------------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| Participants increased their involvement in leadership roles.  | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Participants increased their involvement in decision-making, planning or problem-solving in their community. | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Participants increased their involvement in group and logistical management in their community.              | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Participants increased their involvement in advocacy work.   | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Participants improved their confidence to take on a leadership role in their community.                      | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Participants increased their awareness of what strong leadership looks like in their community.              | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Participants had increased opportunities to step into new leadership roles.                                  | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

38. Please describe what changes you have observed in your community that relate to this outcome.

*Please provide evidence that supports your assessment. \**

## PO7 - First Outcome Selected

PO7 - Growth and improved strength of community-based networks

**Please note: 6 possible selections.  
Including To no extent  
or Unsure or not applicable.**

39. To what extent did your project contribute to the following? \*

|   | To a very large extent | To a large extent     | To some extent        | To little extent      | To no extent          |
|---|------------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| Improved awareness of community-based networks focused on building drought resilience.                | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Created stronger or greater connections within existing or new networks.                              | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Facilitated the establishment of new community-based networks focused on building drought resilience. | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Increased participation in community-based networks.  | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

40. Please describe what changes you have observed in your community related to these outcomes.

*Please provide evidence that supports your assessments against each outcome. \**

## Second Project Short-Term Outcome

Please answer the questions in this section to the best of your ability, based on any data collected before, during and after project delivery.

41. Select a **second outcome** that your project best aligns to from the list below. \*

- 1. Improved communication, social connection and collaboration within and between communities to support drought preparedness (PO1)
- 2. Improved access to and use of services, infrastructure and facilities by communities that support drought preparedness (PO2)
- 3. A greater diversity of community members and organisations contribute to drought preparedness activities (PO3)
- 4. Increased knowledge and understanding of strategies by communities, volunteers and not-for-profit organisations to prepare for and adapt to drought (PO4)
- 5. Improved implementation of place-based practices by communities to build and enhance resilience to drought (PO5)
- 6. Strengthened individual leadership capacity and capability to support community and drought resilience (PO6)
- 7. Growth and improved strength of community-based networks (PO7)

## PO1 - Second Outcome Selected

PO1 - Improved communication, social connection and collaboration within and between communities to support drought preparedness.

42. To what extent did your project achieve the following?

|   | To a very large extent | To a large extent     | To some extent        | To little extent      | To no extent          |
|---|------------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| Created more effective communication channels in the local community or with another community.                   | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Increased frequency of communication in the local community or with another community                             | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Strengthened social connection within the local community, region or state.                                       | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Increased community satisfaction with the strength of social connections in the local community, region or state. | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Improved collaboration within the local community or between different communities.                               | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Improved sense of community belonging.  | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Increased awareness of supports available in the local community.   | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

43. Please describe what changes you have observed in your community that relate to this outcome.

Please provide evidence that supports your assessment.

## PO2 - Second Outcome Selected

PO2 - Increased access to and use of services and facilities by communities that support drought preparedness

44. Did your project lead to any new or upgraded community services, infrastructure and/or facilities?

(A) Yes

(B) No

45. How many services, infrastructure and/or facilities were updated or built through your project?

(A) 1-5

(B) 5-10

(C) 10-15

(D) 20+

46. What type of community services, infrastructures and/or facilities were built or upgraded through your project?

47. What is the total number of people you would expect to benefit from the services, infrastructure and/or facilities updated or built through your project?

*Please provide an estimate. Please quantify. E.g., 100.*

The value must be a number

48. To what extent did your project achieve the following? \*

|   | To a very large extent | To a large extent     | To some extent        | To little extent      | To no extent          |
|---|------------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| Improved access to services, infrastructure or facilities that support drought preparedness | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Increased knowledge sharing between community members.                                      | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Improved sense of community connection.   | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Improved collaboration within the local community or between different communities.         | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

49. Please describe what changes you have observed in your community that relate to this outcome.

*Please provide evidence that supports your assessment. \**

PO3 - Second Outcome Selected

PO3 - A greater diversity of community members and organisations contribute to drought preparedness activities

50. To what extent did your project increase the participation of the following groups in drought preparedness activities? \*

|  | To a very large extent | To a large extent     | To some extent        | To little extent      | To no extent          |
|--|------------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| First Nations community members and organisations                        | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Young people (18-35)   | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Community members from culturally and linguistically diverse backgrounds | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Women  | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

51. Please describe how your project increased the participation of the selected group/s \*

52. How were the views of First Nations people considered and appropriately incorporated during the design and delivery of the project?

*Please provide examples of First Nations-specific and culturally safe engagement opportunities offered through the process of designing and/or implementing the project, such as Yarning Circles, Dadirri, Ganma, and other engagement opportunities. Please note the number and type of opportunities.*

*Please leave blank if not applicable.*

53. To what extent did your project increase the following types of diversity? \*

|  | To a very large extent | To a large extent     | To some extent        | To little extent      | To no extent          |
|--|------------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| The geographic diversity of community members or organisations participating in drought preparedness | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| The diversity of industry sectors or businesses participating in drought preparedness                | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

54. Please describe how your project increased diversity in this way? \*

55. Please describe what changes you have observed in your community that relate to this outcome.

*Please provide evidence that supports your assessment. \**

## PO4 - Second Outcome Selected

PO4 - Increased knowledge and understanding of strategies by communities, volunteers and not-for-profit drought. to prepare for and adapt to drought.

56. To what extent did your project achieve the following? \*

|  | To a very large extent | To a large extent     | To some extent        | To little extent      | To no extent          |
|--|------------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| Improved participant understanding of drought risk.                            | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Improved participant understanding of climate-related risks.                   | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Increased the confidence of participants to prepare for drought events.        | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Increased the preparedness of participants to respond to drought individually. | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Improved drought preparedness planning within the community.                   | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Participants felt more prepared to respond to drought.                         | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

57. Please describe what changes you have observed in your community that relate to this outcome.

*Please provide evidence that supports your assessment. \**

## PO5 - Second Outcome Selected

PO5 - Improved implementation of place-based practices by communities to build and enhance resilience to drought

58. To what extent did your project achieve the following? \*

|  | To a very large extent | To a large extent     | To some extent        | To little extent      | To no extent          |
|--|------------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| Participants became more aware of practices they were previously not aware of.                   | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Participants learnt relevant skills or techniques that will enable them to employ new practices. | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Participants employed practices they had previously not used.                                    | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Participants employed practices that were identified in regional drought resilience plans.       | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

59. Please describe what changes you have observed in your community that relate to this outcome.

*Please provide evidence that supports your assessment. \**

## PO6 - Second Outcome Selected

PO6 - Strengthened individual leadership capacity and capability to support community and drought resilience

60. To what extent did your project contribute to the following? \*

|  | To a very large extent | To a large extent     | To some extent        | To little extent      | To no extent          |
|--|------------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| Participants increased their involvement in leadership roles.  | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Participants increased their involvement in decision-making, planning or problem-solving in their community. | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Participants increased their involvement in group and logistical management in their community.              | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Participants increased their involvement in advocacy work.   | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Participants improved their confidence to take on a leadership role in their community.                      | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Participants increased their awareness of what strong leadership looks like in their community.              | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Participants had increased opportunities to step into new leadership roles.                                  | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

61. Please describe what changes you have observed in your community that relate to this outcome.

*Please provide evidence that supports your assessment. \**

## PO7 - Second Outcome Selected

PO7 - Growth and improved strength of community-based networks

62. To what extent did your project contribute to the following? \*

|   | To a very large extent | To a large extent     | To some extent        | To little extent      | To no extent          |
|---|------------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| Improved awareness of community-based networks focused on building drought resilience.                | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Created stronger or greater connections within existing or new networks.                              | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Facilitated the establishment of new community-based networks focused on building drought resilience. | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Increased participation in community-based networks.  | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

63. Please describe what changes you have observed in your community related to these outcomes.

*Please provide evidence that supports your assessments against each outcome. \**

69. Please provide more detail regarding your response, including quantifying and/or providing evidence to support this assessment where possible. \*

## Overall reflections

70. Overall, how many people do you think will benefit from the outcomes of your project?

*Please provide an estimate. This number may be more than the number of people that participated in your project.*

\*

71. What is the biggest difference that the grant has made for your community or organisation?

\*

72. What would you have done if you did not receive the grant? \*

73. How has this project or the HRCPD Initiative helped your local community be better prepared for the next drought? \*

74. Overall, how satisfied were you with the Community Impact Program? \*

- (A) Very satisfied
- (B) Satisfied
- (C) Neither
- (D) Dissatisfied
- (E) Very dissatisfied

75. What do you think is the most important change to improve a future version of the Community Impact Program? \*

76. Do you have any final comments or reflections? (optional)

## Additional Documents

Please share any information or data that supports your responses in this survey. This may include quotes, testimonials, photos, media articles, survey data or feedback comments that you collected through delivery of your project. Please send all additional documents to [futuredrought@frrr.org.au](mailto:futuredrought@frrr.org.au)
